## Business Update

Hello friends!

First and foremost we would like to thank all of you for your past and current business! We truly appreciate each and every one of you!

As you are probably aware, one of the ways we grow our business is through referrals. In fact, 90% of our business comes from referrals! You may have some friends & neighbors that would be interested in the services we have to offer, tell them about your experience with Bruckelmyer Brothers and if or when one of them calls and sets an appointment you will receive a \$100 Visa gift card just to say THANK YOU!

Here at Bruckelmyer Brothers Construction, we have recently implemented a referral program. Here's how it works:

- You refer Bruckelmyer Brothers to a friend, coworker, etc., give them our brochure
- The referral sets an appointment
- Bruckelmyer Brothers will send you a \$100.00 Visa gift card

That's it! For every referral appointment made, you will receive a gift card!

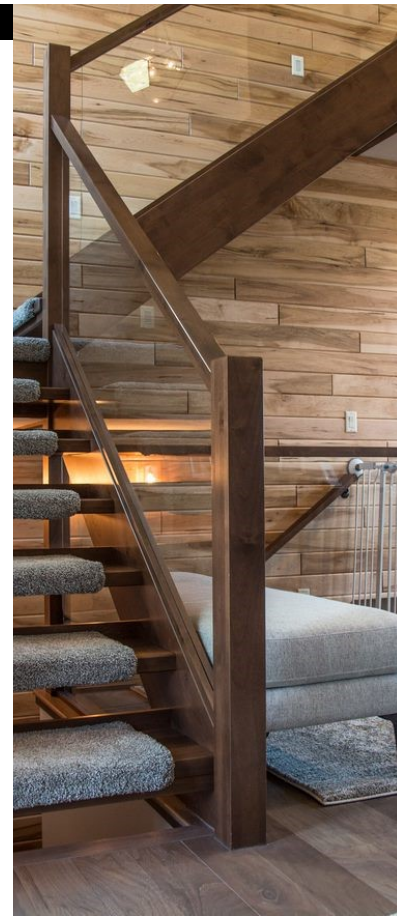

We have included a couple of brochures for anyone that would like to give them to a friend or neighbor.

We also have a Home Preventative Maintenance program. This program is for residential homes, providing critical home maintenance services and much more. The program includes emergency and regular service, and a 2-year workmanship guarantee with HPM agreement. For more information, give our office a call!

Once again, thank you all for your business and continued friendship!

Sincerely,

*Ed and Dennis Bruckelmyer*
